President's Report

It is advised as required, one month before the Annual General Meeting, that all positions on the Committee will be declared open for election.

In particular, I will not be standing for re-election. The Committee meets once a month for eleven months of the year.

Nomination Forms for members to use to nominate someone for a position on the Committee are included in this newsletter and some extra forms are available in the Office. These nominations must be lodged with the committee at the clubrooms by Tuesday 11 August. Members nominated or nominating someone must be paid up financial at the time.

Two committee members who have given valuable service over a number of years will not be standing as their health gives some constraints, but they will continue to help at a more leisurely pace. We thank them both.

Personally, having served for eleven years of the thirteen years I have been at the Club, I need to catch up on more projects. I do enjoy the club and woodwork and will certainly keep helping where I can.

Please carefully consider standing for one of the positions on the Committee. It is very important to have a good functioning Committee.

Keep Safe Helene Longton

Toy Making/Carving on Tuesday Afternoons.

This group meets from 1:00 pm to 4:00 pm to make toys to be donated to disadvantaged children prior to Christmas each year. It is an important part of Community service for Waverley Woodworkers. One of the regular (who travels from Coburg to help each week) is off on a 3 ½ month world voyage and will be missed.

Peter Hughes will now organise the group and will need help from more members. So please come along, even once or twice a month will be much appreciated. Contact Peter on 9038 8602.

Turning S.I.G. Meetings on Monday Evenings 7:30 to 9:00 pm

As July and August are usually cold months, The members interested to come along to these sessions are advised that the Group will not be meeting at the Clubrooms, but will be held on the first and third Mondays at the homes of the following members:

6 July Home of Ian Haynes Phone 0418 991 605
20 July Home of Hans Kopp Phone 9807 9882
3 August Home of Peter Stacey Phone 9572 3090
17 August Home of Ian Heffernan Phone 9546 1071

Please phone each of the above to obtain their address.

Then from 7 September members will resume meeting at the clubrooms every Monday from 7:30 to 9:00 pm. All members are welcome these meetings.

New Members

Welcome to WWInc. Please ask Duty Officers for assistance with use of machinery as needed and ensure that you have read and signed off on the Instructions for use of all machines and safety rules.

Wednesday Afternoons 1:00 to 4:00 pm

This is a session when new members can be given special guidance on their projects.

Club Night 10 June.

Although the weather was miserable, those members who attended were entertained to an interesting and informative evening. Colin Clarke brought along four Gun Carriages he has made and proceeded to enlighten us on their use and history. A small gun carriage fires a champagne cork and belongs to a grandson. The other carriages both for ship or land use were larger and operated differently. Colin also showed a 1840 antique powder and rod gun which he has restored. The gun stock of Walnut was finished with Pumice powder and Linseed Oil. Thank you Colin

Show & Tell: Ray Ffrench showed a cheap fan he brought from Bunnings to which he attached a foam filter with tape to extract dust from his workshop. For a small outlay it is very effective. That was the only Show & Tell item for the night. Members please bring along some of your work, completed or not to share your experiences and help others and yourself to learn and appreciate what goes on within WW Inc.

CLUB FEES – YEAR ENDING 30th JUNE 2010

The new Club Year commences on 1st July and the Committee has determined that the annual fees **should again remain at only \$75**. The fees should be paid on, or prior to, that date to ensure on-going membership access to the Club, and that you are covered for insurance purposes. It must be acknowledged that this is excellent value and we strongly encourage each member to renew their membership as soon as possible.

Membership, and Emergency details (for use only in the instance of needing to contact a person in the event of injury etc.), should also be updated at the same time as you renew your membership and the following tear off form is to be completed and returned to the Club with your payment of the renewal fees.
