Cam Davies ..... 9509 9214  
Roberto van der Hock..... 9551 6242  
Hans Dieter Kopp ..... 9807 9882  
Mary Mosca ..... 9806 0165

## PRESIDENT'S REPORT

On the home front, machine maintenance continued to be an issue with damage to the buzzer coming under notice. Care and proper usage remain the keynote so that all members have full use of our facilities. We hope to have the thicknesser up and running shortly.

## MAY CLUB NIGHT

Our May club night meeting presentation by Stuart Lees of "STU'S SHED" of the Torque Workcentre table created much interest for the 27 members in attendance. The Torque Workcentre is certainly one for our wish list. Stuart also listed the club on his website.

## SHOW and TELL

**Margaret** brought along a step stool made from hardwood and pine, with the added feature of the steps sliding out rather than unfolding.

**Bob Morrison** showed an attractive, tall slender lidded box which could have been a sculpture. He also brought along a 'vase' made from tree fern and mounted on a base of blackwood. The unique growth pattern made a striking display.

**Phil** presented a lidded box retaining the elm burl top for affect, and a base of huon pine.

**Hans Dieter Kopp** brought pens, also photos of a large number of miniature boxes he is making for exhibit.

**Helene** displayed candle holders made from various cans with patterns of holes punched in them. An effective display when lit.

## CLUB NIGHT

### Router and Jig Techniques - Wednesday 9<sup>th</sup> June 7.30pm

Our very own John McGarry will be demonstrating use of the router and applied jigs and techniques. From the waiting list on the notice board this is a much wanted presentation. Timing and health issues- *get well wishes to you Wolfgang*- have impeded setting of training courses to date so come along on club night all who put their name down on the course sheet.

## NEW MEMBERS

We welcome a number of new members; David Liddle, Florence Pierre and Sam Street.

## WHAT'S ON

### The Australian Woodturning Exhibition 2010, at Nunawading

**June 18, 19, 20,** (see posters on club notice board)

Waverley Woodworkers, via club sponsor donation and individual member entries, is a supporter of this exhibition which covers both expert and novice presentations.

## WHAT'S UP?

### Certainly not our annual membership fee!

- Remaining at \$75, due from July 1 and payable by the end of the month.
- Bob Morrison will be commencing his next group in woodturning this month.

## ANNUAL GENERAL MEETING

Coming up at our club night in August will be our Annual General Meeting and election of office bearers and committee members. Our membership list is fluid with a turnover of around 30% each year so there is always a need for new blood to contribute in the running of our club. With a membership of around 110 we rank fifth in size in Australia as a general all purpose woodwork club. I encourage any and every member to put his or her name forward to help in the management of Waverley Woodworkers Inc.

## MONASH COMMUNITY RAFFLE

Headed by our raffle coordinator **Barry Exton**, the committee thanks all who gave their support to this fund raising returning around \$450 to the club.

The raffle will be drawn 2nd of June so best of luck to ticket holders.

## COMMUNITY INVOLVEMENT

Two projects were completed during the month. The first being refurbishment of a kindergarten's building blocks and the second was the making of shoe tying aids for both young and disabled children. Such activities reinforce our standing with the City of Monash sponsorship.

## TOY TEAM

As from Tuesday 6<sup>th</sup> of July our toy team will be recommencing activities on Tuesday afternoons, 1pm onwards, with Hans Kopp as our estimable leader. No experience is necessary, so come along and join in the fun of making fun for deserving children.

## JUST TURNING

There is much to report on the past month's activities and the club members and items are as listed.

**Russell Painter** made two very smart salt and pepper shakers.

**Barry Exton** showed very fine flowers and small goblets and a hollowing tool he used for making small holes in the flowers.

**Daniel Wassef** made a second pen from Tasmanian hardwood.

**Raouf** showed an unfinished banksia bowl.

**Ian Heffernan** told the group about his trip to Japan and his turned gifts were very well received.

**Lynas Chang** had a very nice pen of plum and a bowl of hardwood.

**Helene Longton** - an Indian bean timber bowl, grooved around the edge.

**Praveen Nathaniel** had an unfinished chopping board of jarrah timber.

**Peter Stacey** made a sheoak bowl. Challenged by shrinkage and splitting, he patched with coffee grains and super glue.

**Bill David**-showed Queen ebony timber he bought for his bagpipes!

**Campbell Davies**-a mulga pin, banksia bowl, cedar dish and a black wood butter knife handle, as well, a for talcum puff holder for kid gloves!

**Phil Dunstan**-salt and pepper shakers on a stand made from a red gum stump. Photos of elaborate chestnut wood balls made by a Korean artist varying sizes 3 to 6 feet.  
**Ian Heffernan**-showed a bandsaw tyre purchased from USA,  
**Peter Kerr**-a Mackay cedar small lidded container and one of sassafras,  
**Hans Kopp**-five lidded containers with finials of bone, an oak pen stand, two small vases, a tri timbered pen, a lemon timber one and another of combination timbers.  
**Matt Rushton** bought, the same lathe as Hans, who can provide information  
**Alex Morey** showed a platter of kauri, paduk, jarrah, Iroko in his usual good effort. This will be in the Glen Waverley library showcase during August.  
**Bob Lorensene**-a lidded box of osage orange, an inkstand of natural edge and commentary of his three weeks trip to Newcastle, and ,  
**Bob Morrison** - a golf ball trophy, Tasmanian eucalypt burl vase and four large spinning tops.
