Our Mission

Create wood craft items in a supporting, diverse, friendly, sharing environment.

PRESIDENT'S REPORT

Cheerio

- Peter Kent-the club extends the heartiest of best wishes to Peter whose health we are advised is in a poor way. A card signed by many members has been sent.
- Rob Douglas-our long connected member Rob celebrated his 90th birthday-well done from all of us Rob.
- Councillor-Tom Morrissey-is now progressively recovering from heart health setback.

October Club Night-7.30pm-Wednesday 12th

Tool sharpening instruction by club members.

September Club night

A very interesting and comprehensive demonstration on finishing timber by burnishing was given by Ray Bellette of ORGANOIL. The technique is described on the website under the "Technical Info" tab at the top of the page, OR control click on this web address: <http://www.naturaltimberoils.com.au/resources/downloads/>

This web address takes you to the home page: www.naturaltimberoils.com.au

Some copies will be available at the office.

Show and tell

Ian Harris showing Atlantic cedar

Tony McLachlan Church chair in blackwood, and a work in progress, of one of twelve jewellery boxes in spalted silky oak, red cedar and kauri timber

Tony, one of 12 jewellery boxes

Tony with his church chair

Bob Lorensene Turned mushrooms, miniature forest, scarf pins of Huon pine.

Bob Lorensene scarf pins

Bob Lorensene mushrooms

John McGarry displayed some fine unique money boxes which incorporated brass American post office box doors which were made in the 1910s and had unique fancy combination locks to open.

Hans Kopp Ironbark and Sydney gum cutting boards

Hans Kopp with ironbark chopping board

Hans Kopp "The man from Ironbark"

Helene Longtone Three pot pourri items of casa ebony, Huon pine and she oak plus Queensland maple bowl, turned toys, cosmic saucer and specimen vase

Helene's bowl

Some of Helene's display

Geoff Allen "When is a bowl not a bowl?" Yes, with Geoff that is the case.

Geoff Allen with bowl?

Joe Sullivan, outdoor bench

Joe Sullivan Photo of outdoor bench made in Mirboo timber from copy of same in "Fine Woodworking" magazine

Activation Day

Sunday 16th of October, 11.00am-3.00pm

Batesford Reserve Chadstone

This is one of the major festival days organised by the City of Monash at which our club participates, as well it is in our own backyard so to speak.

This year we will be having a powered site with our wood turners demonstrating. Complementing this we will be having a display stall with items for sale.

URGENT

We need both manpower and sale/display items to make the day a success.

Firstly access time to **set up** is from **8.00am to 10.30am** and **pack up 3.30pm** with of course **manning our stall throughout the day.**

Please contribute time and items: Schedule for whatever time you are available is on the noticeboard.

Update

Timber and working with wood Show

Melbourne Showgrounds

Contrary to previous advices this show is now scheduled for the weekend commencing **Friday 21st to Sunday 23rd October.**

W
I
N
N
E
R

Well not quite in the personal sense but certainly on behalf of the club **Ian Heffernan won a JPM International "AIRSHIELD PRO" battery powered respirator** - retail value \$484 at JPM's competition held recently at Woodworking Warehouse Festival Day. Geoff Balsille, director of JPM, attended SIG wood turners night last Monday in handover of the respirator. JPM, whose website is www.jpmark.com.au, will be at the WOOD show. Thanks were extended to Geoff and pat on the back is extended to Ian.

Donation

Via agency of members, **Praveen Nathaniel and Peter Kerr**, partner/directors **Andrzej Loza and Bob Kerr** (brother of Peter) of City Living delivered to the club three pallets of exotic quality timber. Additionally City Living sold to our club a large band saw at discounted price. Thank you to all parties involved.

Premises

Our quest continues; but thanks to the initiative of our Vice President, Ray Ffrench, City Of Monash engineer, Frank Giancarro, visited our premises. This was the first visit for many years by a representative of Council and Frank fully appreciated the desirability of our club's need for a bigger/better new home. Whilst nothing tangible came of the visit it was nonetheless a very positive stimulus in our quest.

Coomorra Road Secondary College

Our contracted purchase of machinery from the school is soon due to be exercised and we await through the agency of Councillor Tom Morrissey provision of storage space facility.

This commitment was undertaken in the groundswell of the much vaunted expectation of new premises at Evans Street, Burwood proceeding. Alas not to be the case but with positive outlook to the future will compliment our future needs.

Meantime-and in the very near future- transport and manpower will be required for pick up and storage. Members please be on standby to lend your support when the call is made.

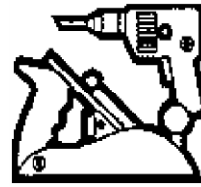

Just Turning

Apologies members' notes are carried over till next newsletter.

Remember your monthly Club night - second Wednesday of the month at 7.30 pm

Waverley Woodworkers Inc.
